INSPIRED Exists to
Engage the World
with **Evidence**,
to Read the Bible
with **Confidence**.

For centuries, the Bible has inspired kings and paupers,
shaped nations, and transformed lives.

INSPIRED Exhibit brings this story to life – letting visitors
see, and experience scripture like never before.

INSPIRED is equipping visitors with **evidence** and **data** –
so that the Bible's truth can be demonstrated,
understood, and believed.

An eminent professor from India said, *"I'm a seeker, and I
never realized—until today—that the Bible is historically
valid. Now I must reevaluate my religious upbringing, which
was based on myths and folklore."*

*"Last week, I counseled a Bible student in crisis after
encountering skeptical criticisms online. When I saw him at
the exhibit, he turned to me and said, 'This answers every
question I had.'"*
